

DAVID BOWERING

Executive Coach

INTRODUCTION TO DAVID

David understands the connection between strategy, leadership and internal culture. As a facilitator, coach and agent for change, he is warm, personable, and able to comprehend and apply an organisational context to a strategic intervention.

David is trained and accredited in cultural competence with Aboriginal and Torres Strait Islander cultures and experienced in working with a diverse range of peoples in the community.

David works with boards and 'executive teams to design strategy, work through transformation and create future focused action plans.

David is an experienced coach to experienced and senior leaders, and executives.
