

FIONA HALL

Executive & Career Coach

INTRODUCTION TO FIONA

A Human Resources professional with significant expertise as a career and executive coach with extensive experience in providing practical coaching and tools – managing careers.

Fiona enables people to articulate their 'why' and find career paths that suit their expertise. This includes identifying and describing transferable professional skills, and navigating the internal and external job market which can include career change, job enrichment, career progression or lateral moves .

As an executive and career coach Fiona has worked across many industries and sectors; public and corporate, education, manufacturing, energy, health and not for profit, all role and job types including senior executives.

She is professional, empathic, friendly, open in style and listens deeply to the backgrounds and needs of those she coaches.

CAREER HISTORY

- Director – FH Consulting, Career & Executive Coach for Fisher Leadership & CLA
- Director Recruitment Design & Delivery – Monash University – recruited from graduate to Executives
- Talent & Resourcing Manager – Cadbury Schweppes – recruited from graduate to Executives

WHAT PEOPLE SAY ABOUT FIONA

"In the 10 years I have known and worked with Fiona she has offered an unwavering professionalism, whilst being personable and generous in her style. Fiona's ability to understand an individual's personal offering and experience is second to none and the direction and advice that she provides is always well considered.

Fiona has always lent an ear and has been incredibly results driven providing value-add in any work she undertakes or conversation we've had. I cannot rate Fiona highly enough, She is genuine, clever, engaging and positive. - Lead of Safety Systems, Yarra Trams

WHAT I BRING AS A COACH

My love of language and passion for supporting people means I am able to unpack people's careers and help them to articulate, what's next. In addition, my leadership & coaching experience allows me to build confidence and develop leadership capability in those I work with.
