

GEOFFREY STILL

Executive Coach

INTRODUCTION TO GEOFFREY

Geoffrey is passionate about developing professionals and supporting them to achieve their professional and personal development goals. Through various coaching accreditations he has developed a highly supportive style which helps to build trust and openness in order for required work to occur at a deeper personal level.

In addition, he designs leadership programs and team workshops through close client consultation, and his facilitation ability leads to meaningful experiences and transformational growth.

Geoffrey's coaching clients span a range of sectors including Legal, Professional Services, Social Justice, Consulting, State and Federal Government, Local Council, Hospital, Pharmaceutical, Insurance (Health & General), Aviation, Architecture, Mining, Construction FMCG, Retail, Banking & Finance and High Performance Sport.

Coachees - CEOs, Partners, GMs, Senior Leaders, Directors, Transitioning Leaders, High Potentials, Project Groups, Sales Managers, Specialists & Generalists facing specific challenges.

CAREER HISTORY

Geoffrey's specialisation in coaching, leadership and team development has occurred through 20 plus years' experience in consulting, learning and development and HR management roles.

He commenced consulting in 2007 and beforehand held national roles in HR and Learning and Development functions at GlaxoSmithKline pharmaceuticals and IKEA Australia for almost 10 years.

Earlier in his career, Geoffrey spent three years teaching English in Japan and 18 months in Recruitment in Sydney.

Geoffrey has worked with Future Leadership for many years, coaching a variety of clients in areas including professional development, sales and enterprise leadership.

WHAT I BRING AS A COACH

I bring a genuine curiosity and passion to support people through their growth journey backed by robust research and deep expertise. My coaching style is thoughtful, insightful, practical and supportive, and focuses on enabling coachees to realise their full potential. I encourage an environment of openness and trust in coaching relationships.
